(Re)Contesting Indigenous Knowledges and Indigenous Studies

Edited by Sandra Phillips, Jean Phillips, Sue Whatman & Juliana McLaughlin

This volume brings together a selection of 19 papers from the (Re)Contesting Indigenous Knowledges and Indigenous Studies Conference convened by the Oodgeroo Unit, Queensland University of Technology, at Surfers Paradise in June 2006. This very successful conference brought together a diverse range of Australian and international Indigenous and non-Indigenous teachers and researchers to explore the many contested facets of Indigenous knowledges and Indigenous studies.
